=====

General Log Submission Requirements

1. Submit your log in the CABRILLO format created by all major logging programs.
2. We need electronics logs! The TRC Contest Committee requires electronics log for every possible high-scored entry.
3. All times must be in GMT.
4. All sent and received exchanges are to be logged.
5. Filename for the log should be yourcall.log.
6. In the header part of the electronic log submission you MUST specify a category of entrance and the full postal address for dispatch to the participant trophies & awards .
7. Hand-written log can be made in chronological order or have separate sheet for each band. Each QSO must contain call sign, time, band, RS(RST), exchange number (both sent and received - even for check logs).
8. Points and final score calculations are not necessary, calculations are done by our software.
9. Dupes should not be marked or deleted.
10. TRC Contest Committee decisions are final.

TRC Contest Committee invites all TRC members and all HAM radio operators all over the World to take part in TRC DX Contest 2012 !
